pexels.com

- Describe the pictures by discussing their similarities and differences **in relation to** the topic.
- How has modern technology affected young people's ability to be patient? Provide arguments to support your opinion.
- Comment on the Chinese proverb: 'One moment of patience may prevent a great disaster. One moment of impatience may ruin a whole life.'

➤ *How can we develop more patience in stressful situations?*

## 1. MONOLOGUE

## ANTROJO POROS KANDIDATO

**Time:** 3–4 minutes

**Topic:** **Managing Waste Responsibly**

**Task:** Talk on the topic by doing the tasks below.

istockphoto.com

pexels.com

- Describe the pictures by discussing their similarities and differences **in relation to** the topic.
- How does waste management affect the environment and public health? Provide arguments to support your opinion.
- Some people believe individuals should be responsible for managing waste themselves, while others argue that governments should enforce stricter regulations to ensure proper waste management. Consider **both** opinions and explain your point of view.

➤ *Do you think people should pay extra for products that create a lot of waste? Why? / Why not?*

## 2. DIALOGUE

## KANDIDATŲ POROS

**Time:** 4–5 minutes

**Topic:** **Funding your city's future: should public money be spent on infrastructure, or should it be used to support cultural projects?**

**Situation:** You and your partner are preparing for a critical thinking workshop on the topic above. Work together to plan your ideas and suggest a rational decision – your aim is to win votes for the most convincing arguments.

**Task:** During your talk, you should:

- consider why the issue matters,
- explore both sides of the topic,
- agree on a unified position, supporting it with clear reasoning.

*Candidate 1 starts the conversation.*
